

PBS Systems – Dealer Management Software ...Redefined.

We are hiring!

Choose a Career that suits your lifestyle!

Join a dynamic automotive IT company as it develops and supports DMS Software for clients across Canada and the USA. PBS Systems is always looking for talented, enthusiastic, goal oriented individuals to join our team in the following areas:

Software Developers, Quality Assurance, Software Trainers, Client Services, Help Desk, Marketing, Inside Sales, Customer Relations, New Customer Implementation and Data Conversion.

We are based in South East Calgary, and provide the opportunity to travel across North America and other countries!

Desired skills and attributes:

- Dealership/Automotive Software experience is a benefit
- Leadership
- Strong organizational skills
- Strong understanding of Microsoft Windows products
- Computer programming
- Call centre experience
- Computer software development
- Account management experience
- Exceptional communication skills
- Strong team player
- Enthusiastic and dedicated to getting the job done
- Bright and sunny attitude even under pressure
